

Commission on Research & Communication—Report 2019

Commission members present: Phillip Lowe (chair), Cynthia Bridges, Del Mar College, Susan Hines, Houston Community College, Mark Phillips, Prairie View A&M University.

1. The commission discussed the basic workings of the TAMS listserv and its effectiveness in helping communication and research between member institutions.
2. The listserv guidelines were discussed and it was decided to continue sending them to the membership twice per year in the fall and spring.
3. The committee also recommended sending a list of topics discussed on the listserv to the membership near the end of the spring semester. This would allow new members who might have missed earlier topics to see what was discussed and can then request those responses if desired.

It was also announced to the membership to contact either Jim Lee, or myself if anyone has any questions or problems with the listserv.

Respectfully Submitted,

Phillip Lowe, Chair
Commission on Research & Communication
